

Supported Independent Living

Blair Athol 1

A unique opportunity to live in a thoughtfully designed, comfortable, modern and fully furnished SIL house.

We have two vacant bedrooms on offer with a perfect blend of comfort, accessibility and community living, ideal for individuals seeking a supportive, yet independent lifestyle.

The house is equipped with heating and cooling, a fully accessible kitchen, built-in wardrobe and a delightful outdoor garden.

The home provides a welcoming environment where residents can form meaningful connections and enjoy shared experiences and well-trained support staff are available to meet your support needs assisting with daily living activities.

Situated in a prime location close to shops, public transport, health services and community services, making it easy to stay connected and engaged.

As part of a Cluster site, this is more than just a room - it's a supportive community designed to enhance your quality of life.

This wonderful home will ensure you have the independence you desire while providing the assistance you require.
