

Supported Independent Living

Blair Athol 2

A unique opportunity to live in a thoughtfully designed, comfortable and fully furnished SIL house.

Run by women, for women this vacant bedroom offers a perfect blend of comfort, accessibility and community living, ideal for individuals seeking a supportive, yet independent lifestyle.

The house is equipped with heating and cooling, a fully accessible kitchen, built-in wardrobe and a large open outdoor space.

The home provides a welcoming environment where residents can form meaningful connections and enjoy shared experiences and well-trained support staff are available to meet your support needs assisting with daily living activities.

Situated in a prime location close to shops, public transport, health services and community services, making it easy to stay connected and engaged.

As part of a Cluster site, this is more than just a room - it's a supportive community designed to enhance your quality of life.

This wonderful home will ensure you have the independence you desire while providing the assistance you require.
